Business Solutions

24/7/365 service network

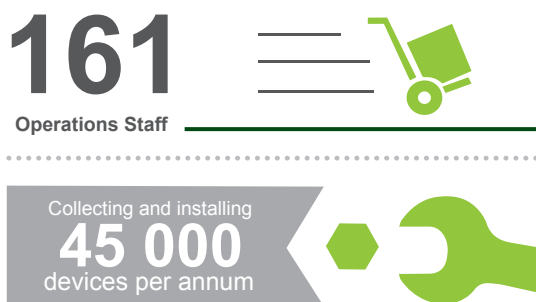

30 years of experience

54 branches nationwide

COMPREHENSIVE SOLUTIONS FOR TODAY'S CHALLENGES & TOMORROW'S OPPORTUNITIES

Our Greatest Asset

FINANCIAL FREEDOM

We own the ability to finance any solution your business needs.

This means that we can tailor-make finance options that are a perfect fit for each and every customer's needs.

Our finance company does more than set us apart from other office automation companies...

...it puts us in a league of our own.

30 000 Rental Contracts

R40-million in Monthly Rental Collections

WE'RE ON A MISSION

- to become the **market leader** in leveraging technology.
- to build and maintain mutually beneficial **relationships**.
- to be an **indispensible partner** to our clients.
- to **add value**, whatever we do.

Our superior product offering & **unmatched infrastructure** backed by South Africa's most **comprehensive service network** means that whatever your office automation challenge, **we have the solution.**

We're at your service

Hands-on Directors & Account Managers

Senior 'Solutions Support' Staff

Dedicated Call Centre

SERVICE

(with more than a smile)

We share your sense of urgency, which is why we do our job effectively so that you can get back to yours efficiently.

"Everything we do stems from a disciplined approach. We listen, plan, structure, think through and only then do we action."

== INTEGRITY ==

Integrity is at the core of our business. Integrity with our people, with our suppliers, with our customers – it's the 'how' to the 'what' we do.

- We reduce** overall costs, because we add value.
- We engage** confidently with customers, because we can.
- We improve** and streamline businesses, because we know how.
- We strive** to increase our market share, because we're competitive.

We deliver a premium solution to more and more companies,

every day.

WE SERVICE OVER

2000

opposition clients

Through our telecoms division, we currently service over 2000 opposition clients who have migrated in favour of our superior service delivery.

“With us,
when the power goes off
you won't know about it.

Our solutions are seamless.”
